Dental, vision, hearing (DVH) highlights

Coverage for your oral, eye and hearing health all together in one convenient plan designed with budget-friendly premiums in mind.

Use dental benefits right away, no wait for most services

Our DentalWise® Max plans offer you coverage without waiting periods for preventive, basic and most major services so you can start using them right away! This means you have immediate coverage for routine services like exams and cleanings, plus major repairs like crowns and root canals.

Eye exams and eyewear, no waiting period

Vision health and routine eye exams are not only important for seeing better, but also have been shown to help with early detection of certain medical conditions — helping you keep an eye on your overall health. Our DentalWise Max plans offer coverage for your annual vision exams with no waiting period, plus coverage for glasses and contacts. The vision network includes private practice and leading retail providers.

Help with hearing aids, including over-the-counter

Hearing loss is an invisible problem that can affect your social life, safety and overall well-being. Our DentalWise Max plans offer benefits provided through UnitedHealthcare Hearing providers, which has straight-forward benefits for annual hearing exams and coverage for hearing aids, and also includes over-the-counter (OTC) hearing aids, when you use a network provider.

Why dental, vision and hearing insurance?

Taking care of your health goes beyond regular medical checkups. Dental, vision and hearing health are just as important to your overall well-being. Having a supplemental plan like DentalWise Max can provide additional coverage to help protect your overall health and budget.

Helping to enhance your quality of life

Your overall health and well-being rely greatly on your dental, vision and hearing care. When you smile more, and can hear and see better, life is naturally more enjoyable. Choosing a DentalWise Max plan can help enhance your quality of life and help you feel good about yourself.

Dental plan options

Our plan options allow you to select a plan that best balances your premium and out-of-pocket expenses, with your anticipated benefit use, giving you the freedom to choose what works best for you. And no matter which dental plan you choose, vision and hearing benefits are included (see pages 6-9 for details).

¹ Policy Year means each consecutive 12 month period beginning with the effective date. ² For covered Dental expenses, non-network provider benefits are determined by ZIP code. They are either based on the network negotiated rate or are based on the reasonable and customary charge (reasonable and customary benefits are identifiable by the word "Plus" added to the plan name). Non-network dentists can bill a patient for any remaining amount up to the billed charge. ³ Limitations and exclusions may apply based on type of service. ⁴ The Implant Maximum Lifetime Benefit is separate from, and not subject to, the Dental Benefit Maximum.

Dental benefit network

Dental benefits and how they work

Dental benefits are administered by Dental Benefit Providers, Inc. We will cover dental services subject to the terms, conditions, exclusions and limitations of the policy. All services are subject to Dental Benefit Maximum and applicable coinsurance. All services, except Preventive, are subject to deductible.

Network provider services

You can see any dentist you want, anywhere across the country. When you choose a dentist who is part of the large national network, National Options PPO 30, you can receive network discounts without the hassle of negotiations. Visit yourdentalplan.com/dentistsearch to find a provider and present the provider with your dental ID card. We will pay the provider the covered benefit, and the provider will bill you for the remainder.

There are no claim forms to fill out when obtaining services from a network provider.

Non-network provider services

The non-network provider may submit the claim to us directly. The provider can then bill you for any remaining amount due up to the billed charge. If a provider does not wish to submit the claim to us, you will need to pay in full at the time of service. You can then submit the claim for reimbursement by going to myuhc.com and completing the dental claim form.

Vision plan benefits

These vision benefits are included with your DentalWise Max plan, regardless of the dental plan you choose.

Vision Benefits (per insured person once per Policy Year¹)

Vision Waiting Period

	Network ²	Non-network
Eye Exam	You pay \$0 We pay 100%	We pay up to a \$50 allowance
Standard Lenses³ and Frames⁴	Single-Vision Lenses	We pay up to a \$40 allowance
	Bifocal-lined Lenses	We pay up to a \$60 allowance

What is an allowance?

An allowance is an amount payable, only once per Policy Year, up to the maximum amount, for a given service or material benefit. For example, if you purchase new frames from an **in-network provider** for \$100, based on the benefits above, we would pay \$100 because it is under the allowed amount. If your new frames were from a **non-network provider**, we would only pay \$75 and you would be responsible for paying the remaining \$25.

¹ Policy Year means each consecutive 12 month period beginning with the effective date. ² You may go outside the network, but you are eligible for discounts using network providers. Go to myuhcvision.com for a list of providers. ³ Standard lenses include single vision, bifocal-lined, and trifocal-lined lenticular lenses, including standard scratch-resistant coating for eligible lenses as prescribed by a vision provider. ⁴ Standard frames include eyeglass frames, their fitting, and subsequent adjustments to maintain comfort and efficiency.

Vision benefit network

Vision benefits and how they work

Vision benefits are administered by Spectera, Inc. We will cover vision services subject to the terms, conditions, exclusions and limitations of the policy, Vision Benefit Rider SA-S-2097-CH-GRI.

Network provider services

These plans use the UnitedHealthcare Vision Network.* You will get the most value from your coverage when you see a provider in this large national network of eye doctors, optometrists and ophthalmologists, including both local doctors and well-known retail providers. Choose from network providers by visiting myuhcvision.com. Contact the provider, identify yourself as having UnitedHealthcare vision, and provide your name and date of birth to get started.

No ID card is needed, and there are no claim forms to fill out when obtaining services from a network provider.

Non-network provider services

You will need to pay in full at the time of service. You may then submit the details to us for reimbursement of covered benefits. See Vision Rider in the policy for details.

* Not all providers participate in all plans. Check with your provider before using your benefits.

These hearing benefits, through UnitedHealthcare Hearing network providers, are included with your DentalWise Max plan, regardless of the dental plan you choose.

¹ Benefits are per person and not per ear. Hearing benefits are available only for covered expenses incurred at, or purchased over-the-counter from, a UnitedHealthcare hearing network provider. ² Policy Year means each consecutive 12 month period beginning with the effective date.

Hearing benefits and how they work

Hearing benefits are administered by UnitedHealthcare Hearing. We will cover hearing services subject to the terms, conditions, exclusions and limitations of the policy and Hearing Benefit Rider SA-S-2099-CH-GRI-04.

Hearing benefits are provided through UnitedHealthcare network providers only

You can begin your journey by contacting UnitedHealthcare Hearing at **1-844-571-4958** or visiting uhc hearing.com/gric. Here you can learn more about hearing care and hearing aid options, find an in-network provider and request a no cost hearing test appointment. You'll work with a hearing provider to select and purchase a prescription hearing aid that will be a good fit for your needs and lifestyle. Plus, you'll have access to follow-up support from your provider.

Over-the-counter (OTC)* hearing aids are also covered when purchased online through UnitedHealthcare Hearing. A hearing test is not required for OTC hearing aids and follow-up support may vary. Explore our selection of audiologist-approved OTC hearing aids by visiting uhc hearing.com/gric.

Purchasing through UnitedHealthcare Hearing does not require a claim submission. You are responsible for any amount in excess of the hearing benefit allowance or frequency in the policy.

* OTC hearing aids are intended for individuals over the age of 18 with self-diagnosed mild-to-moderate hearing loss. If you have questions about your degree of hearing loss, it is recommended you meet with a licensed hearing provider.
